A candidate can apply for only one post/position & one location only (wherever vacancies are notified location wise) advertised for one department / vertical and not more than one application should be submitted by any candidate for one department / vertical. In case of multiple Applications for different positions in same department/vertical, only the latest valid (completed) application will be retained and the application fee/intimation charges paid for the other multiple registration (s) will stand forfeited.

Abbreviations stand for: SC - Scheduled Caste, ST - Scheduled Tribe, OBC - Other Backward Classes, EWS – Economically Weaker Sections, UR-Unreserved, PWD - Persons with Disability, OH-Orthopedically Handicapped, HI – Hearing Impaired, VI- Visually Impaired, ID- Intellectually Disabled.

NOTE:

- 1. Please note that change of category submitted by the applicant will not be permitted at any stage after registration of online application.
- 2. Candidates belonging to OBC category but coming in the 'creamy layer' and/ or if their caste does not find place in the Central List are not entitled to OBC reservation and age relaxation. They should indicate their category as 'GENERAL' or GENERAL (OC/HI/VI/ID) as applicable.
- 3. Benefit of reservation under EWS category is permissible only upon production of an 'Income and Asset Certificate' issued by a Competent Authority in the format prescribed.
- 4. Caste/EWS/PWD certificate issued by Competent Authority on format prescribed by the Government of India will have to be submitted by the candidates applying under SC/ST/OBC/EWS/PWD category, while submitting their application/s.
- The number of vacancies including reserved vacancies mentioned above are provisional and may vary according to the actual requirement of the Bank.
 Reservation for PWD is horizontal and within the overall vacancies for the post.
- 7. Candidates seeking age relaxation will be required to submit copies of necessary certificate(s) at the time of Interview and/or at any subsequent stage of the recruitment process as and when required by Bank.
- 8. There is no reservation for Ex-Servicemen in Officers' Cadre.
- 9. Maximum age indicated is for General category candidates as on 01.10.2024. Relaxation in upper age limit will be available as detailed below.

3.1 Relaxation in Upper Age Limit:

S.N.	Category	Age Relaxation (years)
1.	Scheduled Caste	5
2.	Scheduled Tribe	5
3.	Other Backward Classes (Non-Creamy Layer)	3
4.	Persons with Disability	Gen/EWS – 10, OBC – 13, SC/ST - 15
5.	Ex-servicemen, Commissioned Officers including Emergency Commissioned Officers (ECOs)/ Short Service Commissioned Officers (SSCOs) who have rendered at least 5 years military service and have been released on completion of assignment (including those whose assignment is due to be completed within one year from the last date of receipt of application) otherwise than by way of dismissal or discharge on account of misconduct or inefficiency or physical disability attributable to military service or invalidment	Gen/EWS – 5, OBC – 8, SC/ST – 10
6.	Persons affected by 1984 riots	5

The aforesaid Relaxation of Upper Age is applicable as per the Reservation Points available for different positions as mentioned above.

4. <u>Remuneration & Location of Posting:</u>

Remuneration: Remuneration will be offered based on candidate's qualifications, experience, overall suitability, last drawn salary of the candidate and market benchmark.

Location of Posting: The place of posting will be depending upon the Bank's requirement from time to time. Selected Candidates shall be placed at any of its Offices/Branches in India.

For Positions mentioned at serial no. 35 to 46 in the table given under point no 1 above, number of vacancies against each location (tentative) of posting is given as under:

Please note that the Bank reserve the right to modify/add/delete the location of posting & number of vacancies as per its business requirement and selected candidates are liable to be posted / transferred by the Bank at its absolute discretion to any of the branches/ offices of the Bank or to any place in India.

5. <u>Nature of Employment:</u>

The engagement under the contract is for a period of three (-3-) years or upto attaining the age of -62- years, whichever is earlier and can be subsequently renewed yearly for -1- year each in such a manner that the total engagement period is not more than -5- year, subject to satisfactory performance at the discretion of the Bank (subject to maximum age as -62- years).

6. Application fees:

- Rs.600/- + Applicable Taxes + Payment Gateway Charges for General, EWS & OBC candidates
- Rs.100/- + Applicable Taxes + Payment Gateway Charges for SC, ST, PWD & Women

The candidate is required to pay the non-refundable application fee/Intimation charges irrespective of whether online test is conducted or not and even if the candidate is shortlisted or not for the interview.

A. <u>SELECTION PROCEDURE:</u>

- Selection will be based on short listing and subsequent round of Personal Interview and/or any other selection method.
- Bank reserves the right to change (cancel/ modify/ add) any of the criteria, method of selection and provisional allotment etc.

- The Bank reserves its right to call candidates in a particular ratio, at its sole discretion, as per the Bank's requirement.
- Adequate number of candidates as decided by the Bank will be shortlisted based on their qualification, experience and overall
 suitability for Interview. Most suitable candidates will be called for the selection process (PI/any other selection method) and
 merely applying / being eligible for the post does not entitle the candidate to be eligible for the selection process.
- The qualifying marks in Interview/selection procedure will be decided by the Bank.
- A candidate should qualify in all the processes of selection i.e. Personal Interview and/or other selection method (as the case may be) and should be <u>sufficiently high in the merit to be shortlisted for subsequent process</u>.
- In case more than one candidate scores the cut off marks (common mark at cut off point), such candidates will be ranked according to their age in descending order.
- <u>Bank reserves the right to consider the candidature of the candidate to any other position and/or location mentioned in this</u> <u>advertisement other than for which he/she has applied for, subject to the condition that the candidate fulfil the eligibility criteria</u> <u>prescribed for the position for which the candidate is considered for.</u>
- Bank reserves the right to combine two or more similar position/s as one position, if necessitated.

B. HOW TO APPLY:

Candidates are required to have a valid personal email ID and Contact Number. It should be kept active till completion of this recruitment project. Bank may send call letters for Personal interview and/or Selection Process on the registered Email ID. In case, a candidate does not have a valid personal email ID, he/she should create his/ her new email ID before applying.

a) GUIDELINES FOR FILLING ONLINE APPLICATION:

- i. Candidates should visit Bank's website **www.bankofbaroda.in/career.htm** and register themselves online in the appropriate Online Application Format, available through the link being enabled on the Careers-> Current Opportunities on the Bank's website & pay the application fee using Debit Card / Credit Card / Internet Banking etc.
- ii. Candidates need to upload their Bio-data while filling online application. Candidates are also required to upload their scanned photograph, signature and other documents related to their eligibility. Please refer to Annexure II regarding scanning of photograph & signature and upload of documents.
- iii. Candidates are advised to carefully fill in the online application themselves as no change in any of the data filled in the online application will be possible/ entertained. Prior to submission of the online application, candidates are advised to verify the details in the online application form and modify the same, if required. No change is permitted after clicking on SUBMIT button. Visually Impaired candidates will be responsible for getting the details filled in/carefully verifying, in the online application and ensuring that the same are correct prior to submission as no change is possible after submission.
- iv. The name of the candidate should be spelt correctly in the application as it appears in the certificates/ mark sheets. Any change/ alteration found, may disqualify the candidature.
- v. An online application which is incomplete in any respect and unsuccessful fee payment will not be considered as valid.
- vi. Candidates shall also be required to submit supporting documents such as Date of Birth Proof, Graduation Certificate, Other Certifications, Experience Letter (any document which substantiates relevant experience), Document showing Break up of CTC, Latest Salary Slip (e.g. July 2024/ August 2024 / September 2024), etc. at the time of submitting the online application form.
- vii. Candidates are advised in their own interest to apply online much before the closing date and not to wait till the last date to avoid the possibility of disconnection / inability / failure to log on to the website on account of heavy load on internet or website jam.
- viii. Bank of Baroda does not assume any responsibility for the candidates not being able to submit their applications within the last date on account of aforesaid reasons or for any other reason beyond the control of Bank of Baroda.

b) PAYMENT OF FEES:

- i. Application fees and Intimation Charges (Non-refundable) of Rs. 600/-for General /EWS and OBC candidates (plus applicable GST & transaction charges) and Rs.100/- (Intimation charges only) for SC/ ST/PWD/Women candidates (plus applicable GST & transaction charges) will be applicable. Bank is not responsible if any of the candidates makes more than one payment/s and no request for refund of fees shall be entertained.
- ii. Fee payment will have to be made online through payment gateway available thereat.
- iii. After ensuring the correctness of the particulars of the application form, candidates are required to pay fees through the payment gateway integrated with the application. No change/edit will be allowed thereafter.
- iv. The payment can be made by using Debit Card / Credit Card / Internet Banking etc. by providing information as asked on the screen. Transaction charges for online payment, if any, will be borne by the candidates.
- v. On successful completion of the transaction, e-receipt and application form with the data entered by the candidate will be generated, which should be printed and retained by the candidate.
- vi. If the online transaction is not successfully completed, please register again and make payment online.
- vii. There is also a provision to reprint the application form containing fee details, at later stage.

c) <u>GENERAL INFORMATION</u>:

- i) The selected candidate will be required to sign an employment contract.
- ii) Candidates should satisfy themselves about their eligibility for the post applied for as on the cut-off date (01.10.2024) and also ensure that the particulars furnished by him/her are correct in all aspects.
- iii) In case of multiple applications, only the last valid (complete) application will be retained. Multiple appearance by a candidate for a single post in interview will be summarily rejected/candidature cancelled.
- iv) Candidates serving in Govt./Quasi Govt. offices, Public Sector undertakings including Nationalized Banks and Financial Institutions are advised to submit 'No Objection Certificate' from their employer at the time of interview, failing which their candidature may not be considered. In case of selection, candidates will be required to produce relieving letter from the employer at the time of taking up the engagement and clearance from the respective authorities, wherever applicable.
- v) In case it is detected at any stage of recruitment that a candidate does not fulfil the eligibility norms and / or that he / she has furnished any incorrect / false information or has suppressed any material fact(s), his / her candidature will stand cancelled. If any of these shortcomings is / are detected even after appointment, his /her services are liable to be terminated without notice.
- vi) Decisions of bank in all matters regarding eligibility, conduct of interviews, other tests and selection would be final and binding on all candidates. No representation or correspondence will be entertained by the bank in this regard.
- vii) Intimations, wherever required will be notified on Bank's website and/ or sent by email and/ sms only to the email ID and mobile number registered in the online application form. Bank shall not be responsible if the information/ intimations do not reach candidates in case of change in the mobile number, email address, technical fault or otherwise, beyond the control of Bank. Candidates are advised to keep a close watch on the authorized Bank's website www.bankofbaroda.in for latest updates.
- viii) Any legal proceedings in respect of any matter of claim or dispute arising out of this advertisement and/or an application in response thereto can be instituted only in Mumbai and courts/tribunals/forums at Mumbai only shall have sole and exclusive jurisdiction to try any cause/dispute.
- ix) The Bank reserves the right to modify the place of posting as per administrative requirements of the Bank from time to time.

7. ANNOUNCEMENTS:

All further Announcements/Addendum or Corrigendum (if any)/details pertaining to this process will only be published/ provided on authorized Bank's website <u>www.bankofbaroda.in</u> from time to time under **Career section/web page** \rightarrow **Current Opportunities**. No separate communication/intimation will be sent to the candidates who are not shortlisted/not selected in the process. All notification/communication placed on the Bank's website shall be treated as intimation to all the candidates who have applied for the said project.

If such instances go undetected during the current selection process but are detected subsequently, such disqualification will take place with retrospective affect. <u>Clarifications/Decisions of the Bank in respect of all matters pertaining to this recruitment</u> would be final and binding on all candidates.

The Bank reserves the right to reject any application/candidature at any stage or cancel the conduct of interview/ any other selection process or increase/decrease the vacancies for any of the positions, as per the requirement of the Bank or to cancel the Recruitment Process entirely at any stage without assigning any reason.

Mumbai 30.10.2024

Chief General Manager (HRM & Marketing)

	Ensure the proper archiving and backup of debt collection data.					
5. Compliance and	Ensure that all MIS and database activities comply with regulatory requirements, including Reserve Bank of India (RBI) guidelines					
Risk Management:	and data privacy laws.					
	Implement and maintain strict security protocols to protect sensitive customer information and ensure compliance with internal policies.					
	Ensure the proper archiving and backup of debt collection data.					
6. Collaboration &	Work closely with the debt collection field team and various channel partners.					
Support:	Coordinate with external vendors and IT teams to resolve any technical issues related to the MIS or database systems.					
	Support the debt collection team by providing insights and recommendations based on data analysis to improve recovery rates and operational efficiency.					
7. Process	Continuously evaluate the MIS and database systems to identify areas for improvement, automation, and efficiency.					
Improvement:	Implement new technologies and solutions to enhance data management, reporting, and collection processes.					
	Stay updated on the latest trends and developments in MIS and database management in the banking sector.					
Name of Position	Floor Manager					
1. Team Management:	Lead, drive target achievement, provide training, ensure compliance of banks and regulatory guidelines.					
2. Debt Collection	Oversee strategies, monitor reports, implement corrective measures.					
3. Performance	Prepare reports, set KPIs, monitor productivity.					
4. Customer Interaction:	Handle escalations, resolve disputes, ensure satisfaction.					
5. Compliance:	Ensure RBI compliance, maintain audit documentation.					
Operational Efficiency:	Optimize call operations, work with IT for system functionality.					
Reporting:	Generate and present performance reports.					
Stakeholder	Coordinate with internal and external teams, represent the department

Name of Position	Senior AI Engineer (AI/GenAI/NLP/ML)
	AI-based applications and systems that improve performance and efficiency.
Develop and Mainta	0
	ons that integrate with existing business systems to enhance functionality and user interaction.
End to End AI Mode	
	arning models and AI solutions
Collaborate with cro	ss-functional teams to identify business requirements and develop solutions that meet those needs.
Ensure the quality a	nd accuracy of Al models by testing and validating
Work on bug fixing a	and improving application performance
Ensure the performa	ance, quality, and responsiveness of applications/ models
Work closely on the	deadlines of the project
Collaborate with dat	a scientists and other engineers to integrate AI with existing systems
Stay updated with th	e latest advancements in AI/ML technologies and contribute to the development and improvement of AI frameworks and libraries.
Experience in using	container orchestration platforms such as Kubernetes to deploy and manage machine learning models in production environments.
	e in developing and deploying large language models (LLMs) in production environments, with a good understanding of distributed ce architecture, and REST APIs.
Name of Position	Senior UI/UX Designer
Study industry best-	practices in UI/UX design to stay up to date on emerging trends & technologies.
	er facing business processes to envision user journeys.
	teams to understand business objective, identify regulatory constraints and align business KPIs to be impacted by the envisioned journey.
	ch to understand user behavior, needs and motivation.
	nd communicate your idea to the business leads.
	nd down-stream dependencies for the product rollout.

	TRUSTED TODAY TRANSFORMING TOMORROW
Ensure high quality graphic standards and brand consistency.	
Name of Position UI/UX Designer	
Study industry best-practices in UI/UX design to stay up to date on emerging trends & technologies.	
Understand customer facing business processes to envision user journeys.	
Work with business teams to understand business objective, identify regulatory constraints and align business KPIs to be impacted by the	envisioned iourney.
Conduct user research to understand user behavior, needs and motivation.	, entriereneu jeurney.
Design wireframe and communicate your idea to the business leads.	
Identify up-stream and down-stream dependencies for the product rollout.	
Design prototype for multiple channels and demonstrate to the business and customer experience leads.	
Develop pen and paper prototypes as well as advanced prototyping tools. Identify drop-offs in the envisioned journey, work with business teams to revamp the journey.	
Work with UI/UX team to deliver the product.	
Estimate efforts for building prototypes and track the delivery.	
Coordinate with product managers to escalate issues to ensure timely delivery.	
Designing Wireframe websites and mobile apps.	
Work closely with programming team to collate content during development website/mobile apps.	
Ensure the feasibility of UI/UX designs and subsequently build the required changes.	
Determine information architecture and create sitemaps for websites & mobile apps.	
Identify areas for improvement, including content inventories and audits.	
Ensure high quality graphic standards and brand consistency.	
Name of Position Application Architect	
Design and validate application architecture design and other technology architecture	
Estimate design efforts, define detailed schedules, evaluate technologies, develop prototypes, architect design.	
Change application Architecture as per business need and Technology changes.	
Understand and apply architect principles, processes, their standards and guidelines.	
Understand, document, and monitor application layering dependencies (User-Interface, Deployment, Public Interface, Application Domain	n Application
Infrastructure, Technical Frameworks, and Platforms) and application component dependencies.	n, Application
Document and maintain context diagrams, functional architectures, data architecture, and messaging architecture diagrams and description	ons
Understand and monitor impacts to and dependencies between existing technical and network environments.	0113.
Define and direct proof-of-concept tasks for proposed architectural interactions.	
Define, plan, propose, and select enabling technologies to support packaged or custom applications.	
Prepare approach papers listing technology options, risks, and impacts of various architectural options for application.	
Define data dependencies within, between, and among various applications and application components.	
Define and direct coordination among database instances between, and across, various applications and application components.	1
Document and maintain technical architecture, network architecture, application architecture, and technical application architecture diag	rams and
descriptions, including releases and versions of software.	
Ensure that architectural components optimally address business requirements.	
Lead / Participate in technical and infrastructure requirements engineering initiatives.	
Coordinate with other architects, project managers, and team leads to ensure the development matches the system model.	
Define architecture risk mitigation plans.	
Monitor emerging technologies and technical releases from product vendors to evaluate applicability toward current efforts.	
Name of Position Enterprise Architect	
Set up technical standards and governance structure for the enterprise.	
Assist business strategy and accordingly drive technology strategy from an architecture perspective.	
To provide technology architecture expertise and guidance across multiple business divisions & technology domains.	
Setting up technical standards, formulation of Enterprise Architecture (EA) Governance Framework.	
Driving technology strategy from an architecture perspective, across a portfolio of applications in the Bank, for resource optimization and	Risk mitigation.
Translating business requirements into specific system, application or process designs, including working with business personnel and ex	
functional requirements.	
Define/ maintain Target Architectures in Roadmaps.	
Lead and/or assist efforts to scope and architect major change programs, leading strategic options analysis & proposing end-to-end soluti	ons & highlighting
trade-offs.	
Review ongoing designs of major programs to identify strategic opportunities and resolve design issues during delivery.	
Identify key technology enablers to optimize IT investment.	
Develop highly complex solutions that exemplifies quality optimization regarding reliability, availability, scalability, manageability, flexibi	lity, usability/
reusability and high performance.	5. 51
Deliver Architecture solutions in a Banking environment at the highest-level technical expertise.	
Lead other IT Architects to provide effective consulting/ solutions on complex projects.	
Lead multifunctional teams in successful application of methodologies and architecture modelling tool	
Name of Position Technology Architech	
Assist the development of the overall technology strategy with critical focus on enterprise and platform architecture.	
Responsible for the design of systems and interfaces both internal and external.	
Identifying and integrating overall integration points in context of a project as well as other applications in the environment.	
Defining guidelines and benchmarks for non-functional requirement considerations during project implementation.	
	and the second second second
Reviewing architecture and design on various aspects like extensibility, scalability, security, design patterns, user experience, non-functio etc., against a predefined checklist and ensure that all relevant best practices are followed.	nal requirements,

Bank of Baroda
Providing a solution to any issue that is raised during code/design review and justifying the decision taken.
Possessing/acquiring strong troubleshooting skills and being interested in performing troubleshooting of issues in different disparate technologies and environments.
Understanding and relating technology integration scenarios and applying these learnings in complex troubleshooting scenarios Assist the development of the overall technology strategy with critical focus on enterprise and platform architecture.
Responsible for the design of systems and interfaces both internal and external.
Identifying and integrating overall integration points in context of a project as well as other applications in the environment.
Defining guidelines and benchmarks for non-functional requirement considerations during project implementation.
Reviewing architecture and design on various aspects like extensibility, scalability, security, design patterns, user experience, non-functional requirements,
etc., against a predefined checklist and ensure that all relevant best practices are followed.
Providing a solution to any issue that is raised during code/design review and justifying the decision taken.
Possessing/acquiring strong troubleshooting skills and being interested in performing troubleshooting of issues in different disparate technologies and environments.
Understanding and relating technology integration scenarios and applying these learnings in complex troubleshooting scenarios.
Name of Position Infrastructure Architect
Designing, articulating and implementing architectural scalability.
Work in close collaboration with application architect to ensure optimal infrastructure design.
Draw a long-term enterprise level IT Infrastructure Plan.
Ensure that availability requirement is met in the design.
Validate all Infrastructure Changes and obtain necessary approvals from competent authority.
Interact with IT Partners, Consultants and internal stakeholders.
Evaluate infra technology and industry trends, identify prospective impact on business.
Participate to develop and manage ongoing enterprise architecture governance structure on basis of business & IT strategies.
Promote organization architecture process and results to business and IT Departments.
Lead and direct to prepare governing principles to guide decision making Equivalent to infrastructure architecture.
Draw implementation plan for infrastructure architecture on basis of IT strategies and business requirements.
Ensure optimal governance structure and comply with activities related to infrastructure architecture adherence.
Enforce infrastructure architecture execution as well as ongoing refinement tasks.
Selection and evaluation of infrastructure architecture standards commensurate with other stakeholders.
Consult project teams to fit infrastructure architecture assignments and identify need to modify infrastructure architecture to attain project requirements.
Identify need to change technical architecture to incorporate infrastructure needs. Identify requirements for infrastructures and resources to support infrastructure architecture.
Ensure documentation of entire architecture design and evaluation work.
Develop & execute education plan for infrastructure architecture.
Name of Position Integration Expert
Collaborate on the successful integration of hardware, software and Internet resources.
Strong experience in Middleware and Infrastructure management.
Assist in planning and implementing a variety of technological opportunities.
Assist in the creation, maintenance, and integration of technology plans.
Ability to lead teams to successful end results.
Strategic planning and continuous improvement mindset, relevant to technology processes and systems.
Assess technology skill levels of co-workers and customers.

ANNEXURE II

GUIDELINES FOR UPLOADING THE PHOTOGRAPH, SIGNATURE & OTHER DOCUMENTS

The following documents are required to be uploaded by the candidate:

- Resume (PDF)
- DOB Proof: 10th marksheet/ certificate (PDF)
- Educational Certificates: Relevant Mark-Sheets/Certificate (PDF) (All Educational Certificates should be scanned in a single PDF file)
- > Work experience certificates (PDF) if applicable (PDF)
- Caste/ Category Certificate (PDF) if applicable (PDF)
- PWD certificate, if applicable (PDF)

Before applying online, a candidate will be required to have scanned (digital) image of the above documents as per the specifications given below:-

- All Documents must be in PDF format.
- Page size of the document to be A4.
- Size of the file should not be exceeding 500 KB.
- In case of Document being scanned, please ensure it is saved as PDF and size not more than 500 KB as PDF. If the size of the file is more than 500KB, then adjust the setting of the scanner such as the DPI resolution, no. of colors etc., during the process of scanning. Please ensure that Documents uploaded are clear and readable.

GUIDELINES FOR SCANNING THE PHOTOGRAPH (4.5cmX3.5cm) & SIGNATURE:

Before applying online, a candidate will be required to have a scanned (digital) image of his/ her photograph and signature as per the specifications given below:-

(i) <u>Photograph Image :-</u>

- > Photograph must be a recent passport style colour picture.
- Make sure that the picture is in colour, taken against a light coloured, preferably white background.
- Look straight at the camera with a relaxed face.
- If the picture is taken on a sunny day, have the sun behind you, or place yourself in the shade, so that you are not squinting and there are no harsh shadows.
- If you have to use flash, ensure there's no "red-eye".
- > If you wear glasses make sure that there are no reflections and your eyes can be clearly seen.
- > Caps, hats and dark glasses are not acceptable, religious headwear is allowed but it must not cover your face.
- Dimensions 200 x 230 pixels (preferred)
- Size of the file should be between 20kb 50kb.
- Ensure that the size of the scanned image is not more than 50kb. If the size of the file is more than 50kb, then adjust the settings of the scanner such as the DPI resolution, no of colours etc during the process of scanning.

(ii)

<u>Signature Imaging :-</u>

- > The applicant has to sign on white paper with Black Ink Pen.
- > The signature must be signed only by the applicant and not by any other person.
- > The signature will be used to put on the Call letter and wherever necessary.
- If the applicant's signature on the answer script at the time of the examination does not match the signature on the Call letter, the applicant will be disqualified.
- Dimensions 140 x 60 pixels (preferred)
- Size of the file should be between 10kb 20kb.
- Ensure that the size of the scanned image is not more than 20kb.
- > Signature in CAPITAL LETTERS shall NOT be accepted

(iii) <u>Guidelines for scanning of photograph, signature & documents :-</u>

- 1. Set the scanner resolution to a minimum of 200 dpi (dots per inch).
- 2. Set the colour to True Colour
- 3. Crop the image in the scanner to the edge of the photograph/ signature, then use the upload editor to crop the image to the final size (as specified above).
- 4. The image file should be JPG or JPEG format. An example file name is: image01.jpg or image01.jpeg. Image dimensions can be checked by listing the folder files or moving the mouse over the file image icon.
- 5. Image dimensions can be checked by listing the folder/ files or moving the mouse over the file image icon.
- 6. Candidates using MSWindows/ MSOffice can easily obtain photo and signature in .jpeg format not exceeding 50kb and 20kb respectively by using MSPaint or MSOffice Picture Manager. Scanned photograph and signature in any format can be saved in .jpg format by using 'Save As' option in the File menu and size can be reduced below 50kb (photograph) & 20kb (signature) by using crop and then resize option (Please see point (i) & (ii) above for the pixel size) in the 'Image' menu. Similar options are available in other photo editor also.
- 7. If the file size and format are not as prescribed, an error message will be displayed.

8. While filling in the Online Application Form, the candidate will be provided with a link to upload his photograph and signature.

PROCEDURE FOR UPLOADING THE PHOTOGRAPH, SIGNATURE & DOCUMENTS :-

- (i) There will be separate links for uploading Photograph. Signature & Documents.
- (ii) Click on the respective link 'Upload'.
- (iii) Browse and select the location where the scanned photograph, signature or document files has been saved.
- (iv) Select the file by clicking on it & click the 'Upload' button.
- (v) Click Preview to confirm the document is uploaded and accessible properly before submitting the application. If the file size and format are not as prescribed, an error message will be displayed.
- (vi) Once uploaded/ submitted, the Documents uploaded cannot be edited/ changed.
- (vii) After uploading the photograph/ signature in the online application form candidates should check that the images are clear and have been uploaded correctly. In case the photograph or signature is not prominently visible, the candidate may edit his/ her application and re-upload his/ her photograph or signature, prior to submitting the form. If the face in the photograph or signature is unclear the candidate's application may be rejected.

Your Online Application will not be registered unless you upload your photograph, signature & documents as specified.

<u>Note :-</u>

1. In case the face in the photograph or signature or documents is unclear, the candidate's application may be rejected.

2. After registering online, candidates are advised to take a printout of their system generated online application forms.

In case, the photograph or signature or documents is/ are not prominently visible, the candidate may edit his/her application and re-load his/ her photograph or signature or documents, prior to submitting the form.
